Share in your Children's Schooling

- Be interested in the work your child is doing, listen to their stories at the end of the day.
- Praise your child for their achievements regardless of how small.
- Encourage your child and believe in their ability to succeed.
- Create a home environment that is stimulating and conducive to learning.
- Allow your child to enjoy the freedom and fun of childhood.
- Read to your child and encourage them to read to you and to tell you stories.
- Play games with your child to assist them in their understanding of maths concepts.
- Introduce yourself to their teacher and communicate with them on a regular basis.
- Volunteer your time to help out at the school.
- Enjoy your child's transition through school, it is a wonderful period for growth and development.
