(ONE NAME PER PAVER) Please follow these simple steps when creating your hand drawn image.

• Draw your image on the other side of this slip of paper. (the size is the same as the engraving area of a paver.)

• Draw your image using a good quality medium thickness black marker pen. (about 2mm thick.) Do not use a ballpoint pen!

• Make sure that you rub out any pencil lines as these will show up in the finished paver.

• Do not include computer generated or pasted pictures, the hand drawn image engraving process is set up to engrave hand drawn images only.

Sample #1 has been drawn correctly. Sample #2 is incorrect it has a computer generated image and the text was written with a ballpoint pen.
