--------	------------------------------------	----	--------------------------	---	-------	-------

*Every year, parents support our school in many ways. One very important part of that support is the payment of the annual **voluntary** school contributions. Voluntary contributions allow the school to resource existing programs and initiate new programs. With the growth in student numbers in recent years, the demands on our resources have been great, as we have endeavored to provide the additional resources required to cater for these growing numbers.*
